12. Commercial or Other Purposes. No store, office, hospital, sanitarium or other place for the care or treatment of the sick or disabled, physically or mentally, nor any theatre, saloon or other place of entertainment shall ever be erected or permitted upon any of the lots, or any part of them, and no business of any kind or character whatsoever shall be conducted in or from any residence on the lots.

17. Large Animals. No poultry, sheep, goats, horses, cattle, or other large animals shall be kept on any of the lots.

18. Homeowners' Association. In furtherance of the purposes of this Declaration, a homeowners' association shall be formed pursuant to this Paragraph. Accordingly it is declared that all property owners of record shall be members of Pinnacle Peak Estates Unit Three Homeowners' Association ("Association") upon its formation pursuant to Subparagraph (f) hereof. The Association shall be incorporated as a non-profit corporation pursuant to the laws of Arizona, for the purposes and with such rights and obligations as are set forth below:

a) Membership in the Association shall be limited to the property owners of record in the Subdivision. Each owner of record of a lot in the Subdivision shall automatically be a member of the Association and shall be issued a certificate of membership in the Association. In the case of property sold under an installment land sales contract where the seller has retained legal title, the buyer shall be considered the owner for purposes of this Declaration. Ownership shall not include persons or entities which hold title as security for the performance of an obligation. If any lot is owned by two (2) or more persons, a single membership certificate shall be issued in the names of all owners of record and they shall designate in writing to the Association one (1) of their number who shall have the power to vote that certificate. Membership in the Association further shall be subject to the terms of the Association's Articles of Incorporation and Bylaws.

b) The Association shall have the power and shall undertake and perform within the Subdivision the following duties and obligations:

- i) Carry out the duties and obligations set forth in this Paragraph and those of the Architectural Committee as set forth above, with the expenses and costs thereof to be paid out of the funds of the Association;
- ii) Acquire, own, manage and operate such real estate, together with any improvements located thereon, as may be reasonably necessary in order to carry out the purposes of the Association; and pay taxes on such real estate and improvements as may be owner of it; and pay all premiums for property, hazard and public liability insurance;
- iii) Levy and collect the assessments which are set forth below.

c) In order to provide funds to enable the Association to perform the obligations and render the services provided above, all lots within the Subdivision shall be subject to an annual assessment which shall be fixed and levied in advance by the Association from year to year and shall be paid to the Association annually by the owners of record of each lot in the Subdivision. The Association shall from year to year determine the total amount required to perform its obligations and shall levy and collect an annual assessment not exceeding Two Hundred Dollars (\$200.00) for each lot within the Subdivision. The assessment for each lot shall include the owner's pro rata share of such sums as the Association shall determine proper for the establishment and maintenance of a reserve for repair, replacement, maintenance and for the payment of administration costs, taxes, insurance and other expenses of the Association, and shall be in the ratio that one (1) Lot bears to the total number of lots within the Subdivision. The aforesaid maximum assessment to each lot owner may be increased by the Association only with the prior written consent of two-thirds (2/3) of the lot owners of record by number in said Subdivision.

d) The aforesaid assessments for each year shall be fixed, levied and paid at such times and in such manner as may be prescribed in the Bylaws of the Association (or by the Declarant until the Association is incorporated).

e) Each owner of a lot in the Subdivision, for himself, his heirs, executors, administrators, successors and assigns, covenants and agrees, by acceptance of a deed or other instrument (and regardless of whether it is expressed in any such deed or other conveyance, and regardless of whether such owner accepts such deed in writing), that he shall pay to the Association the annual assessments or charges as provided in Paragraph (c) above. The annual assessment (together with interest at the highest lawful rate, if any such assessments are delinquent, and costs of collection, including reasonable attorney's fees; shall be a charge on the land and shall be a continuing lien upon the lot against which each such assessment is made. Each assessment, together with such interest, costs and attorneys' fees, shall be the personal obligation of the person who was the record owner of such lot at the time when the assessment fell due, but such personal obligation of the owner shall not be deemed to limit or discharge the charge on the land and continuing lien upon the lot against which such assessment is made. No owner shall escape liability for the assessment which fell due while he was the owner by nonuse of any common facilities or transfer or abandonment of his lot. The owner's personal obligation for assessments which fell due while he was the owner shall not pass to a successor owner. The Association, as the agent and representative of the owners of lots in the Subdivision, shall have the right to enforce the provisions of this Declaration. If the owner of any lot fails to pay an assessment when due, the Association may enforce the payment of the assessment, or enforce the lien against the lot, by taking either or both of the following actions, concurrently or separately (and by exercising either of the remedies set forth below, the Association does not prejudice or waive its right to exercise the other remedy): (i) Bring an action at law against the owner personally obligated to pay the assessment; (ii) Foreclose the assessment lien against the lot in accordance with the then prevailing Arizona law relating to the foreclosure of realty mortgages (including the right to recover any deficiency), and the lot may be redeemed after foreclosure sale as provided by law. If any lot subject to such assessment lien shall become subject to the lien of a purchase money or construction mortgage or deed of trust, the foreclosure of the assessment lien shall not affect or impair the lien of any such mortgage or deed of trust. The assessment lien shall be junior and subordinate to the lien of any such mortgage or deed of trust; however, such subordination shall not otherwise affect or impair the assessment lien or discharge the land from the servitude of the assessment lien. Any mortgage foreclosure purchaser, any grantee taking by deed in lieu of foreclosure, or any purchaser at a trustee's sale shall take free of the assessment lien for all charges that have accrued up to the date of trustee's sale, the deed of issuance of a sheriff's deed or deed given in lieu of foreclosure, but shall take subject to all charges accruing subsequent to those events.

f) Until such time as the Association is incorporated (i.e., when fifty (50) lots within the Subdivision have been conveyed by Declarant to bona fide purchasers, or December 31, 1982, whichever first occurs), the Declarant shall have the right to exercise the powers and duties granted in this Declaration to the Association, including, but not by way of limitation, the right to perform all or any part of the duties, assume the obligations, levy and collect the assessments and otherwise exercise the powers given to the Association by this Declaration in the same way and manner as though all of such powers and duties so given were given directly to the Declarant. Upon incorporation of the Association, the Declarant shall turn over any accumulated funds or assets to the Association and be released and divested of any and all such rights, powers and obligations provided for the Association in this Declaration; and the Association promptly shall perform the duties, assume the obligation, levy and collect the assessments and otherwise exercise the powers provided for the Association.

19. Extension of Declaration and Amendment. The foregoing covenants, conditions and restrictions run with the land and shall be binding on all persons owning any of the said lots in the Subdivision until February 15, 1995, at which time said covenants, conditions and restrictions shall be automatically extended for successive ten (10) year periods, unless by a vote of two-thirds (2/3) of the then owners of the lots described, it is agreed to change said covenants, conditions or restrictions in whole or in part. This Declaration may be amended from time to time by a vote of two-thirds (2/3) of the then owners of lots within the Subdivision; provided, however, that prior to February 15, 1995, this Declaration may only be amended by a vote of Declarant and two-thirds (2/3) of the then owners of lots, excluding Declarant.

20. Binding Effect. Deeds or other instruments of conveyance of said lots may contain the above covenants, conditions and restrictions by reference to this document, but whether or not such references are made in such deeds or instruments, each and all of such covenants, conditions and restrictions shall be binding upon the respective grantees, their heirs, successors and assigns.

21. Violations. If there shall be a violation or threatened or attempted violation of any of these covenants, conditions or restrictions, it shall be lawful for any person or persons owning real property situated in the Subdivision to prosecute proceedings at law or in equity to enjoin and/or to receive damages for, each and every violation or threatened violation of any of the covenants, conditions or restrictions contained in this Declaration. In the event the Declarant or Association deems it necessary to bring any legal proceedings against any lot owner or owners to enforce the provisions of this Declaration, and if the Declarant or Association prevails in such proceedings, such party shall be entitled to recover from the lot owner or owners, and such owner or owners agree to pay, all damages, costs and expenses of such proceeding, including, but not being limited to, reasonable attorneys' fees. All such amounts due from an owner or owners shall be a charge upon the land and a continuing lien upon the lot owned by such owner, such lien to be subject to the provisions of Paragraph 18(e) hereof, the same as if said lien were as assessment lien.

22. Severability. Invalidation of any one or more of these covenants, conditions and restrictions shall in no way affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, this Declaration has been executed as of the date first hereinabove written.
