

# Pinnacle Peak Estates III

[PPE3.Com](http://PPE3.Com)

Attention: Homeowners

We are in the process of replacing all the mailboxes after vandalism occurred at a few of our neighborhood locations. Financially we are unable to replace all structures at the same time, so we are doing the project in stages, until they are all completed.

To date, two of the seven locations have been updated. The new boxes are more secure and solar lighting has been added. A few neighbors have graciously pointed their cameras towards some of the mailbox locations for additional security. Thank you!

The next two groupings of mailboxes are in process. Contracts have been signed and the boxes are on order to be replaced as soon as they arrive. For those of you in this next stage of replacement...There is a time period that you will need to go to the post office to pick up your mail until the new structures are installed and the new keys are distributed. We apologize for the inconvenience this causes.

If you don't have your email on file with the HOA please email it to either [Jenna@cpiho.com](mailto:Jenna@cpiho.com) or [ppe3neighbor@gmail.com](mailto:ppe3neighbor@gmail.com) . We will be emailing you any updates we have and info on key distribution. We are replacing the mailboxes in order of urgency. The mail delivery lady has advised us which ones to do next.

This stage of replacement includes the Boxes on:

Juan Tabo next to 8057

De La O next to 8601

Thank you for your patience through this process!

Sincerely,

PPE III HAO Board

Laura McNally
