

PPE 3 Mailbox Crime

Crime is on the rise and unfortunately our community was the victim of three separate mailbox break-ins this week. The police were contacted and a report was filed with the US Postal Service, since this is a federal crime. If you were one of the victims and know of missing checks or packages, you need to file an individual case number specific to your address. The Number to call is 1(877)876-2455 (postal inspection service, vandalism/theft).

The HOA contacted a mailbox company to get bids to fix or replace the damaged boxes and make them more secure. We understand it is an inconvenience to go to the post office to pick up your mail. We apologize and are trying to resolve expeditiously. However, with supply chain issues, we were told to be prepared to wait 6-8 weeks to receive new boxes ... if needed. If anyone has video from their homes facing the mailboxes that were broken into, please contact the HOA or Jenna @ Cornerstone Properties 602-433-0331. We are looking at all of our options to prevent this from happening again.
